The alarm rings and a day in the life of a Savannah State student begins...

Living on campus in a close-knit, nurturing environment gives you the opportunity to realize the complete college experience. You will live and thrive in a supportive atmosphere surrounded by others sharing the same life-changing experiences, academically and socially, in a vibrant university setting.

Convenient to all campus activities, Savannah State housing includes options for different budgets and lifestyles. Traditional residence halls and the modern, well-planned freshman suites are ideal for students new to the university. University Village, a campus apartment complex, is the top choice for upperclassmen. The village features fully-furnished one, two and four bedroom apartments that include small kitchens, Internet access, cable TV and local phone service. All residential buildings include laundry facilities and computer labs.

Welcome to Savannah State University. Here you will find a multitude of opportunities for a world-class education. Every day at Savannah State University is filled with new challenges that will inspire your dreams and nurture your goals as you develop personally and academically in a stimulating environment. Your explorations will equip you with the preparation and experience to help you succeed in any endeavor that you choose. We look forward to seeing you on campus.

Interesting facts about SSU

- Savannah State University, founded in 1890, is Georgia's oldest public historically black institution
- The university is a senior coeducational unit of the University System of Georgia
- The university has one of the lowest student-to-faculty ratios in the region, 22:1
- The university prides itself in the knowledge that it provides generations of students with the education and life skills necessary to make a difference in the global community
- The outstanding faculty provides students with personal, mentoring support in an atmosphere of intellectual interaction that extends far beyond the classroom walls
Walking under a canopy of towering oak trees on the beautiful 173-acre campus, a sense of history pervades. Thoughts of decades of students who, for over 115 years have walked the same path, inspire and challenge each new class as they begin their academic journey.

Savannah State University has provided generations of students with relevant, enlightening education in a social environment that propels them into the workforce, prepared and confident in their ability to compete in a constantly changing world.

The University System of Georgia’s core curriculum is the basis for Savannah State University’s degree programs. The university, accredited by the Southern Association of Colleges and Schools, offers 23 undergraduate degrees and five graduate degrees through three colleges: the College of Sciences and Technology (COST), the College of Business Administration (COBA), and the College of Liberal Arts and Social Sciences (CLASS).

If you plan to pursue a career in math or science-related fields, the Peach State Louis Stokes Alliance for Minority Participation (PSLSAMP) program may be the choice for you.

**University Resources**

Funded by the National Science Foundation, PSLSAMP seeks to increase the number of ethnic minority students graduating and pursuing careers in science, technology, engineering and mathematics (STEM) fields. Students receive a laptop computer, scholarship assistance, and valuable opportunities to engage in meaningful research with a faculty mentor and/or internships at other institutions.

In collaboration with Georgia Institute of Technology, Savannah State University offers the Georgia Tech Regional Engineering Program (GTREP) degrees in electrical, civil, computer and mechanical engineering. GTREP students become Georgia Tech students for their junior and senior years, but remain in Savannah rather than transferring to the Georgia Tech campus in Atlanta, Georgia. Junior and senior level classes are taught by Georgia Tech faculty residing in southeast Georgia and in Atlanta.

The Asa H. Gordon Library serves both the university and the community. The library has an extensive collection of resources including books, journals, photos, and music. The library offers:

- Web-based catalog access to over six million volumes
- Galileo, an electronic library database of search engines or journals, encyclopedias, magazines and other information offered by the University System of Georgia
- JSTOR, an electronic archive of core scholarly journals in the humanities, social sciences, and sciences, many of which date from the 1800s
- Over a dozen additional electronic databases that cover a wide spectrum of interests
- An extensive African-American collection

Savannah State University has approximately 35 computer labs across campus and boasts a student-to-computer ratio of 5:1.

*Time to gather up the books and head for class…*
The King-Frazier Student Center is an expansive, multi-purpose building strategically located on campus. It is a vibrant center of activity at almost any hour of the day.

Places to eat

When it's time to satisfy your appetite, your options include the Tiger Café, which offers salads-to-go, Pizza Hut, Kettle Classics, Krispy Kreme and more. Or enjoy a meal in the University Dining Hall where options range from the stir-fry station to the Garden Emporium for salads or the sandwich bar. On those busy days when you can't make it to the King-Frazier Student Center, visit the Kiosk at Jordan Hall for light fare such as fruits, salads, snacks, sandwiches and beverages for breakfast, lunch and dinner.

The center houses the:

- Student Government Association
- Center for Leadership & Character Development
- Center for Residential Services and Programs
- Center for Student Programs and Organizations
- Center for Student Development
- SSU Bookstore
- U.S. Post Office

Let's grab a bite and catch the latest with friends…

Student center amenities:

Our Clubs and Organizations

Seventy-five clubs and organizations on campus cover a wide spectrum of interests. Choices range from environmental or political concerns, performing arts and music, journalism or mathematics, or clubs that enhance your professional interests. Greek fraternities and sororities play an active role in campus life.

You’ll often find sorority or fraternity members enjoying a cookout in the circle, at the heart of the historic campus. A long campus tradition, each group claims a well-marked, designated area under towering oaks as a place to meet and socialize.

**friendship**

WHCJ is the popular campus radio station where students can receive on-the-job training. The station plays a varied format popular with university students and listeners in the Greater Savannah area.

With all your class work caught up, you now have time to catch up with friends...
ROTC programs available that award the graduate a commission as second lieutenant in the U.S. Army. Scholarship opportunities are available for highly qualified students.

University sports teams compete at the NCAA Division I level (Division I-AA in football). Athletic teams include men’s basketball, women’s basketball, baseball, softball, women’s tennis, women’s volleyball, track and field, cross country and golf.

You’ll join thousands of alumni, students and other Savannah State University friends enjoying the university’s annual homecoming celebration — a week-long event that culminates with a parade through downtown Savannah and the gridiron match at Wright Field. Concerts, Greek step shows and a large tailgate scene are popular homecoming weekend attractions.

Savannah State University offers students the opportunity to receive military training while attending school. The university has a four-year Naval Reserve Officers Training Corps (NROTC) program that allows a graduate to receive a commission as an ensign in the U.S. Navy or a second lieutenant in the U.S. Army or a second lieutenant in the U.S. Marine Corps. There are also two-year and three-year Army Intramural sports are popular on campus. Students team up for tennis, basketball, flag football, and soccer.

At Savannah State you’re sure to find your niche among the wide variety of activities available.
Tybee Island is only minutes away from the university campus. The unique barrier island gives students a place to escape after studies. Sand dunes and sea oats combine with refreshing ocean breezes to create the feeling of being in a different world. A popular vacation spot for families, the island is also a weekend gathering place for Savannahians.

Savannah offers access to a wide variety of activities, from festivals to concerts to special celebrations. The planned city still boasts the original squares Gen. James Oglethorpe created when he founded Savannah in 1733. Stroll through the historic downtown squares or along the river walk adjacent to the Savannah River and enjoy the pleasant weather. Horse drawn carriages, trolleys or riverboats are fun ways to tour the city.

Savannah State University is located in Savannah, Georgia, one of the most beautiful coastal cities in the nation. Long known for its historic district, one of the largest in the nation, the city also has a bustling seaport and an energetic downtown that features entertainment venues, well-known national retail stores and restaurants as well as locally owned boutiques and eateries that showcase coastal cuisine. Shopping malls and centers are located throughout the city.

Quaint shops, museums and an artist colony in City Market offer a unique cultural experience. The Savannah Music Festival and the annual Savannah Jazz Festival attract fans from throughout the southeast.

The annual Savannah Black Heritage Festival, a partnership between the university and the City of Savannah, celebrates African-American culture through a variety of events and performances at venues on campus and throughout the city.
Our Global Community

Savannah State University students are global learners. Thanks to formal partnerships with outstanding universities in Africa, Brazil, the Caribbean, China and India, you may spend a summer studying abroad, soaking up knowledge and culture first hand to prepare for the ever-expanding, competitive global marketplace. The International Education Center is the catalyst for students seeking a study-abroad experience.

Interviewing for an internship...

Our Community Experience

Savannah State University has long-standing partnerships with corporations, governmental bodies and service agencies. These diverse connections offer a variety of learning experiences and the chance to apply classroom experience to real-world situations through volunteer and internship opportunities.

Social work majors may get involved at the grassroots level, partnering with neighborhood residents to revitalize once-thriving districts and improve the quality of life for families.

Business students may find themselves working with budding entrepreneurs to develop and execute marketing plans and other strategies.

The Career Services Center will expose you to service-learning fairs, career fairs, mock interview sessions, resumé reviews and more to help you make the right connections.
