Savannah State University
Code of Student Conduct

SECTION 1: OFFICE OF STUDENT CONDUCT PHILOSOPHY

The University community is committed to fostering a campus environment that is conducive to academic inquiry, a productive campus life and thoughtful study and discourse. The student conduct program within the Office of Student Conduct is committed to an educational and developmental process that balances the interests of individual students with the interests of the entire University community.

A community exists on the basis of shared values and principles. At Savannah State University, student members of the community are expected to uphold and abide by certain standards of conduct that form the basis of the Code of Student Conduct. These standards are embodied within a set of core values that include integrity, social justice, respect, community, responsibility, and tradition.

Each member of the University community bears responsibility for their conduct and to assume reasonable responsibility for the behavior of others. When members of the community fail to exemplify these seven values by engaging in violation of the rules below, campus conduct proceedings are used to assert and uphold the Code of Student Conduct.

The student conduct process at the University is not intended to punish students; rather, it exists to protect the interests of the community and to challenge those whose behavior is not in accordance with our policies. Sanctions are intended to challenge students’ moral and ethical decision-making and to help them bring their behavior into accord with our community expectations. When a student is unable to conform their behavior to community expectations, the student conduct process may determine that the student should no longer share in the privilege of participating in this community.

Students should be aware that the student conduct process is quite different from criminal and civil court proceedings. Procedures and rights in student conduct procedures are conducted with fairness to all, but do not include the same level of due process protection afforded by the courts in criminal or civil cases. Due process, as defined within these procedures, assures notice and a hearing before an objective decision-maker(s). No student will be found in violation of University policy without information showing that it is more likely than not that a policy violation occurred and any sanctions will be proportionate to the severity of the violation and to the cumulative conduct history of the student.
ZERO TOLERANCE STATEMENT

SECTION 2: JURISDICTION

Students at Savannah State University are provided a copy of the Code of Student Conduct by visiting https://www.savannahstate.edu/student-affairs/student-ethics.shtml. Hard copies are available upon request from the Office of Student Conduct, located in Suite 247, King Frazier Student Center. Students are responsible for having read and abiding by the provisions of the Code of Student Conduct.

The Code of Student Conduct and the student conduct process apply to the conduct of individual students, both undergraduate and graduate, and all Savannah State-affiliated student organizations. For the purposes of student conduct, Savannah State considers an individual to be a student when an offer of admission has been extended and thereafter as long as the student has a continuing educational interest in Savannah State.

Savannah State University retains conduct jurisdiction over students who choose to take a leave of absence, withdraw or have graduated for any misconduct that occurred prior to the leave, withdrawal or graduation. If sanctioned, a hold may be placed on the student’s ability to re-enroll and/or obtain official transcripts and/or graduate and all sanctions must be satisfied prior to re-enrollment eligibility. In the event of serious misconduct committed while still enrolled but reported after the accused student has graduated, Savannah State may invoke these procedures and should the former student be found responsible, Savannah State may revoke that student’s degree and/or continue to prevent student access to the University and its facilities.

The Code of Student Conduct applies to behaviors that take place on the campus, at University/College-sponsored events and may also apply off-campus when the Vice-President of Student Affairs or designee determines that the off-campus conduct affects a substantial Savannah State University interest. A substantial SSU interest is defined to include:
• Any situation where it appears that the student’s conduct may present a danger or threat to the health or safety of him/herself or others; and/or

• Any situation that significantly impinges upon the rights, property or achievements of self or others or significantly breaches the peace and/or causes social disorder; and/or

• Any situation that is detrimental to the educational mission and/or interests of SSU;

The Code of Student Conduct may be applied to behavior conducted online, via email or other electronic medium. Students should also be aware that online postings such as blogs, web postings, chats and social networking sites are in the public sphere and are not private. These postings can subject a student to allegations of conduct violations if evidence of policy violations is posted online. Most online speech by students not involving Savannah State University networks or technology will be protected as free expression and not subject to this Code, with two notable exceptions:

• A threat, defined as “a threat a reasonable person would interpret as a serious expression of intent to inflict bodily harm upon specific individuals”;

• Speech posted online about SSU or its community members that causes a significant on-campus disruption.

The Code of Student Conduct applies to guests of community members whose hosts may be held accountable for the misconduct of their guests. Visitors to and guests of Savannah State may seek resolution of violations of the Code of Student Conduct committed against them by members of SSU community.

There is no time limit on reporting violations of the Code of Student Conduct; however, the longer someone waits to report an offense, the harder it becomes for University officials to obtain information and witness statements and to make determinations regarding alleged violations.

Though anonymous complaints are permitted, doing so may limit the University’s ability to investigate and respond to a complaint. Those who are aware of misconduct are encouraged to report it as quickly as possible to the Office of Student Conduct and/or to Campus Police.

A responding student facing an alleged violation of the Code of Student Conduct is not permitted to withdraw from Savannah State University until all allegations are resolved.

**University E-Mail Communication Statement**

University email is Savannah State’s primary means of communication with students. Students are responsible for all communication delivered to their University email address. Failure to check your University email will NOT BE an acceptable excuse for failing to respond to a hearing request and/or any sanctions that are imposed as the result of a hearing. The University
is not responsible to send correspondence to personal email accounts- all communication will be delivered through a student’s official SSU email account.

SECTION 3: VIOLATIONS OF THE LAW

Alleged violations of federal, state and local laws may be investigated and addressed under the Code of Student Conduct. When an offense occurs over which SSU has jurisdiction, the University conduct process will usually go forward notwithstanding any criminal complaint that may arise from the same incident.

The University reserves the right to exercise its authority of interim suspension upon notification that a student is facing criminal investigation and/or complaint. Interim suspensions are imposed until a hearing can be held, typically within five (5) business days. This hearing may resolve the allegation, or may be held to determine if the interim suspension should be continued. The interim suspension may be continued if a danger to the community is posed and SSU may be delayed or prevented from conducting its own investigation and resolving the allegation by the pendency of the criminal process. In such cases, the University will only delay its hearing until such time as it can conduct an internal investigation or obtain sufficient information independently or from law enforcement upon which to proceed. This delay will be no longer than two weeks from notice of the incident unless a longer delay is requested in writing by the complaining victim to allow the criminal investigation to proceed before the University process.

Students accused of crimes may request to take a leave from the University until the criminal charges are resolved. In such situations, the University procedure for voluntary leaves of absence is subject to the following conditions:

- The responding student must comply with all campus investigative efforts that will not prejudice their defense in the criminal trial; and

- The responding student must comply with all interim actions and/or restrictions imposed during the leave of absence; and

- The responding student must agree that, in order to be reinstated to active student status, they must first be subject to, and fully cooperate with, the campus conduct process and must comply with all sanctions that are imposed.

**SECTION 5: OVERVIEW OF THE CONDUCT PROCESS**

**Investigating and Adjudicating Violations of the Code of Student Conduct Complaint Procedures**

Any member of the University community may file a complaint against any student or student organization for misconduct by contacting the Division of Student Affairs, the Office of Student Conduct, or the Department of Public Safety. Both offices work collaboratively to address complainants. While a student may make a complaint to either office, certain complainants should be directed immediately to the Department of Public Safety. In particular, complaints that are of a criminal nature or that present an immediate danger to the safety and well-being of the complainant or any other individual or any property should be directed immediately to the Department of Public Safety (358-3010), though a complainant can discuss the matter with the Division of Student Affairs or the Office of Student Conduct. If a student has any doubt about the nature or seriousness of a complaint, any of these offices are willing to receive the information. Nevertheless, complaints should be submitted as soon as possible after the incident has taken place. The administrator and/ or staff person with whom the complainant discusses the incident will demonstrate an ethic of care and concern. Students and other complainants should be forthright in discussing the incident. Although the complaint can be discussed orally, it must be subsequently reduced to a written statement that sets forth the following:

1. The name and address of the complainant and his or her status in the University community (e.g., student, faculty, staff).
2. The name and address of the student against whom a complaint is lodged.
3. The alleged misconduct which forms the basis of the complaint.
4. A statement demonstrating the facts of the alleged misconduct, which should include:
   a. date of the occurrence,
   b. time of occurrence,
   c. place of occurrence, and
   d. a brief narrative of the events.

Upon receipt of a complaint, the Coordinator of Student Conduct will notify the accused student that proceedings have been instituted against him or her. The accused student is required to
report to the Coordinator of Student Conduct within five days of the alleged misconduct. The purpose of the preliminary conference is to allow the Coordinator of Student Conduct, or his or her designee, to discuss the alleged misconduct with the accused student. The accused student may ask any questions he or she desires about the student judicial process. He or she will have an opportunity to present his or her interpretation of the alleged incident.

The Coordinator of Student Conduct, having heard the alleged offender’s interpretation and after reviewing relevant documents and statements will decide on one of the following:

1. **Consultation.** The Coordinator for Student Conduct may adjourn the preliminary conference pending further consultation with the complainant. This will allow the Coordinator of Student Conduct to gather additional pertinent facts before deciding on the next step of the judicial process.

2. **Mediation.** Based on the nature of the incident, the coordinator may seek to address the complaint through mediation. The mediation process provides an alternative to a formal hearing. It is intended to allow the individuals involved in the matter to discuss their respective understandings of the incident with assistance of the Vice President for Student Affairs, the Coordinator of Student Conduct, a counselor, or a faculty member. Mediation is designed to encourage each person to speak directly with the other and to accept personal responsibility where appropriate. Mediation seeks to facilitate the resolution of the incident to the satisfaction of the persons involved.

3. **Administrative Action.** The Coordinator of Student Conduct may adjudicate the case administratively. In certain cases, when a student accepts responsibility for the misconduct, the Coordinator of Student Conduct can issue an administrative sanction.

4. **Formal Adjudication.** Based on the nature of the misconduct, the Coordinator of Student Conduct may proceed with the case formally by referring it to one of the following judicial bodies:

   - Code of Conduct Violations: Coordinator of Student Conduct, Board of Student Conduct, or a Hearing Officer
   - Housing Policy Violations: Coordinator of Student Conduct, Board of Student Conduct, SGA Judiciary, or Resident Directors.

5. **Pleas.** If the Coordinator of Student Conduct decides to proceed with the case formally, the accused student will be informed of the pleas available to him or her through the student conduct review system.

The pleas that are available to students and the subsequent outcomes are described below:

   - Responsible: A student who accepts responsibility for the alleged violation waives his or her right to a hearing and accepts the sanction(s) offered by the judicial body. Should the offender perceive that the sanctions are too severe, he or she may follow the appeal procedure.
• No Contest: The alleged offender may plead no contest and accept the sanction(s) offered by the Coordinator of Student Conduct, hearing officer, or judicial body. (This plea is for students who are involved in either civil or criminal proceedings arising out of the same incident.)

• Not Responsible: A student who denies responsibility for the alleged violation will have his or her case heard by the judicial body that has authority to hear the case. A date and time shall be set for a hearing not less than two nor more than seven class days after the student has made his or her “not responsible” declaration.

6. Other Actions. The Coordinator of Student Conduct can also exercise the following actions regarding an alleged violation:

• Drop the Case: The Coordinator of Student Conduct may elect to drop the case should the allegation have no merit or drop the case for lack of sufficient evidence. In these instances, both the complainant and the accused student will be notified of such in writing.

• University Summary Suspension. A student may be summarily suspended from the University and all of its grounds by the Vice President for Student Affairs or designee and without following the hearing procedures articulated in the handbook if the Vice President for Student Affairs or designee is satisfied that the student’s continued presence on the campus constitutes a serious threat of harm to the student or to any other person on the campus or to the property of the University or property of other persons on the University campus. Within five business days after being summarily suspended, the student may request a hearing upon which the summary action was based. A student who has been summarily suspended from the University shall be required to leave the University’s grounds immediately and shall be notified that he or she could be arrested for trespassing if he or she returns to the University without authorization from the Vice President for Student Affairs or designee.

• Residential Summary Suspension. A student may be residentially summarily suspended from the ALL residential facilities owned/operated on behalf of Savannah State University and all of its grounds by the Vice President for Student Affairs or designee and without following the hearing procedures articulated in the handbook if the Vice President for Student Affairs or designee is satisfied that the student’s continued presence within the residential facilities constitutes a serious threat of harm to the residential community, student or to any other person within University Housing or to the property of University Housing or property of other persons that resides in University Housing.

Within five business days after being residentially summarily suspended, the student may request a ‘basis of the residential summary suspension hearing’ upon which the residential summary action was based. A student who has been residentially summarily suspended from the University Housing shall be required to leave the University Housing immediately and shall be notified that he or she could be arrested for trespassing if he or
she returns to the University Housing without authorization from the Vice President for Student Affairs or designee. If a student requests a hearing, a student may be permitted to reside in University Housing, pending the final outcome of the case.

7. The Implication for Failing to Appear Before a Tribunal
If a student notified to appear before the Coordinator of Student Conduct, the Student Government Judiciary, the Board of Student Conduct, Resident Director or a Hearing Officer fails without excuse to comply, the accused will be processed in absentia. If substantial evidence is presented establishing that the violation occurred as alleged, the accused student shall be notified and an appropriate sanction will be provided by written notice. When an extension of time appears necessary to avoid undue hardship or injustice, time may be extended to enable a student to respond to an accusation or prepare a defense.

8. Conduct Review Holds
While the University reserves the right to hear cases in absentia as described above, in certain cases the University may feel it necessary for cases to move forward with active student participation. In these cases, the University reserves the right to place a Conduct Review Hold on a student’s account in order to compel participation in the Conduct Review Process. When this option is utilized, students’ will not be permitted to enroll in courses, drop/add courses, participate in University activities or conduct normal business with the University. Conduct Review Holds may also limit a student’s ability to use their University ID card to access goods and services at the University, including Dining Center meals.

9. Failure to Comply with University Sanctions
If a student has been assigned sanctions and that student fails to meet the deadline for those sanctions, a Conduct Review Hold will be placed on the students account with Savannah State University. This hold will limit the students’ ability to register for courses, participate in University activities, and conduct normal business with the University, including using SSU ID Cards to access meals and other University goods and services. Ample time shall be provided to ensure students have the ability to complete sanctions within a reasonable amount of time. At the discretion of the adjudicating body, this hold may not be removed until the student has made satisfactory effort to comply in completion of the required sanction(s). As this process would occur only after final appeals have been exhausted, this is not an appealable action.

SECTION 6: STUDENT CONDUCT AUTHORITY

1. Conduct Review Authorities. The Vice President for Student Affairs is responsible to the President for the supervision, administration, and operation of University policy related to student misconduct. There are five tribunals that have authority to adjudicate certain kinds of student misconduct. These judicial bodies are as follows:

Coordinator of Student Conduct
The Coordinator of Student Conduct is the University’s judicial affairs administrator. The Coordinator of Student Conduct has authority to receive complaints on student misconduct, direct such investigations as may seem appropriate, summon students who are directly involved or have knowledge of misconduct, and serve as a hearing officer. At the conclusion of an
investigation, it is the responsibility of the Coordinator of Student Conduct to determine whether
to take no action, refer the matter to an appropriate internal or external agency/department, or
issue a charge to a student for violating the Code of Student Ethics. Depending on the nature of
the misconduct, the Coordinator of Student Conduct will determine if the case can be adjudicated
either administratively by mutual consent of all parties involved or formally.

For clarity of purpose, less severe cases of misconduct can be resolved and/or adjudicated
administratively. In such cases, the Coordinator of Student Conduct can impose any sanction on
the student. Certain less severe cases may be resolved by mutual consent of all parties involved,
such as, but not limited to, mediation sessions or mandatory counseling from the Office of
Counseling and Disability Services, Harris-McDew Student Health Center, or other unit. In the
event there is no mutual consent to resolve the incident, the case will be referred to either the
Board of Student Conduct or the Student Government Association Judicial Branch, depending on
the nature of the offense.

**Board of Student Conduct**
The Board of Student Conduct, which is comprised of faculty, staff, and students, has
jurisdiction for hearing cases involving alleged violations of the Code of Student Conduct.
Through the Coordinator of Student Conduct, the Board has authority to summon any member of
the University community as a witness in a case of student misconduct.

The Board of Student Conduct is comprised of eight faculty members, eight staff members, and
eight students for a total of 24 members. The Faculty Senate and the University president each
appoint four faculty members to the Board of Student Conduct. The Staff Council and the Vice
President for Student Affairs each appoint four staff members. Finally, both the Student
Government Association and the Vice President for Student Affairs each appoint four students to
the Board of Student Ethics. All members are appointed to a one-year term. These individuals
form the pool from which the Board of Student Ethics is selected to hear cases.

The adjudication panel itself consists of two faculty members, two staff members, and two
students. Although this is the preferred composition, minimally one member from each
constituent group must be present to conduct a hearing. The Board of Student Conduct will have
a chairman who is appointed by the Vice President for Student Affairs. During the summer
session, or at the end of any semester when Board members are unavailable, the Vice President
for Student Affairs and the vice president for academic affairs, in consultation with the President,
of the University, will have the authority to appoint temporary board members, if needed. Every
effort will be made to include students to the temporary board.

**Student Government Association Judiciary**
The Student Government Association (SGA) Judiciary has authority to hear and adjudicate
Housing Policy student misconduct allegations that have been referred to it in conjunction to the

**Residential Judicial Board**. Members of the SGA Judiciary shall be available to serve on both
the Residential and Student Conduct Boards. The Chief Justice shall chair such cases. In his/her
absence, the senior member of the Student Judiciary will chair the hearing. The Coordinator of
Student Conduct will serve as an advisor to the SGA Judiciary during all cases. The Student
Judiciary consists of nine members as follows: the chief justice who is elected by the student body and eight associate justices, all of whom are appointed by the chief justice and approved by the SGA Congress. Five members of the judiciary, one of which must be the chief justice or the senior justice, must be present in order to conduct a hearing. The SGA judiciary is empowered to hear Housing Policy cases of misconduct.

**Hearing Officers**
Hearing Officers, appointed by the Vice President for Student Affairs, are staff and faculty members who have authority to receive complaints on student misconduct, direct such investigations as may seem appropriate, and summon students who are directly involved or have knowledge of misconduct, and serve as a hearing officer. At the conclusion of an investigation, it is the responsibility of the hearing officer to determine whether to take no action, refer the matter to an appropriate internal or external agency/department, or issue a charge to a student for violating the Code of Student Conduct. Depending on the nature of the misconduct, the hearing officer will determine if the case can be adjudicated either administratively by mutual consent of all parties involved or formally. For clarity of purpose, less severe cases of misconduct can be resolved and/or adjudicated administratively. In such cases, the hearing officer can impose any sanction on the student. Certain less severe cases may be resolved by mutual consent of all parties involved, such as, but not limited to, mediation sessions or mandatory counseling from the Office of Counseling and Disability Services. In the event there is no mutual consent to resolve the incident, the case will be referred to either the Board of Student Conduct or the Student Government Association Judiciary, depending on the nature of the offense. For formal hearings, a hearing officer is empowered to issue sanctions when a student is found responsible for violating the Code of Student Conduct. The Vice President, with the approval of the University President, appoints up to four staff members to serve as hearing officers for one-year terms. Hearing Officers are empowered to hear violations of the Code of Student Conduct other than Housing Policy violations.

**Resident Directors**
Each residence hall on campus is supervised by full time professional Resident Directors. Resident Directors have full authority to adjudicate any violations of Housing Policy that occur in or around University Housing Facilities. Resident Directors will only hear cases involving violations of Housing Policy and minor Code of Student Conduct violations. Resident Directors will be assigned cases at the discretion of the Director of Housing in consultation with the Coordinator of Student Conduct.

**2. Adjudication of Academic Dishonesty Cases**
The rights and responsibilities of academic freedom are at the core of intellectual integrity of the institution. Students are expected to behave honestly during the learning process in order to maintain the highest standards of academic honesty. Cheating and other forms of academic dishonesty undermine Savannah State’s educational value for everyone, and especially for the individual who cheats.

Misunderstanding of appropriate academic conduct will not be accepted as an excuse for academic dishonesty. Students should consult with the instructor in the course, the department chair/program director, or the academic dean if there is doubt about appropriate academic
conduct. Students who are believed to have engaged in academic dishonesty will be reported to their department chair/program director for adjudication. Procedures for adjudication of violations of academic dishonesty are available in the Office of Academic Affairs.

4. Mental Health Withdrawals
To ensure that Savannah State University students receive due process rights, Savannah State University has initiated the following Mental Health Withdrawal Procedure. Before a student may be withdrawn for mental health reasons there must first be the following chain of events:

1. The student displays behavioral indicators, which are determined by a mental health professional to be of danger to himself/herself or others.

2. When a mental health professional recommends that a student needs to be withdrawn from school for mental health reasons, an informal hearing will then be set up to determine whether or not the student should be withdrawn.

3. In this informal hearing, conducted by the Office of the Vice President for Student Affairs, the student or his or her representative may present any pertinent information that he or she believes will have a bearing on the particular case. This procedure is enacted to insure that the student’s legal rights are not violated and that the University has the right to remove any student whom it feels, based on professional evaluation, and may present a danger to himself/herself or others.

SECTION 7: FORMAL CONDUCT PROCEDURES

A. Order of Hearing
In adjudicating formal cases, all tribunals/hearing officers will proceed in the following order:

1. Call to order by the chairperson or Coordinator of Student Conduct;
2. Reading of the charge(s) and specification of the alleged incident of misconduct by the chairperson or Coordinator of Student Conduct;
3. Presentation of the complainant’s case, including presentation of witness, by the Coordinator of Student Conduct;
4. Presentation of the accused student’s case, including presentation of witnesses;
5. Closing statement by the complainant;
6. Closing statement by the accused student;
7. Adjournment; and
8. Deliberation by tribunal.

During the hearing, members of the tribunal may raise questions to either the complainant or accused student as well as any witnesses. This is done at the direction of the chair. There is no right of one party to cross-examine the other party or witnesses but questions to consider and ask may be suggested to the Chair and panel by the parties. The student may have an advisor present with them throughout the proceedings but this individual’s participation is specifically limited to advising the student only and in no other manner is permitted to participate in the hearing.
B. Burden of Proof
Students will be presumed not responsible until proven otherwise by a preponderance of evidence. During the hearing, the burden of proof rests upon the University official and/or complainant bringing the charges. During the deliberation, the conduct body shall determine, by majority vote (if the conduct body consists of more than one person), whether the student violated the particular section of the Code of Student Conduct. The conduct body’s determination shall be made on the basis of whether it is “more likely than not” that the accused student violated the Code of Student Conduct.

C. Rules of Evidence and Procedure
Most aspects of a college’s or University’s judicial system differ sharply from those found at state and other outside conduct systems. Colleges and universities, however, adhere to fairness and due process. Nevertheless, formal rules of evidence and procedures followed by courts of law shall not be applicable during hearings. All matters upon which the decision may be based must be introduced into evidence at the proceeding before the tribunal hearing the case. The decision of the tribunal shall be based solely upon such matters. Improperly acquired evidence shall not be admitted. The adjudicating body may exclude evidence that in its judgment is immaterial, irrelevant, or unduly repetitious.

D. Privacy of Proceedings
All informal and formal hearings shall be conducted in private in order to protect the confidential nature of the proceedings, unless the defendant elects to have an open hearing. If the latter is the case, such a request must be in writing by the defendant. However, state and federal laws pertaining to open hearings takes precedence over either the defendants’ or the victims’ request for an open or closed hearing.

E. Record of the Proceeding
There shall be a record, such as a tape recording, of all formal hearings before a Conduct Review Board. The record shall be the property of the University.

F. The Decision
The student shall be notified in writing of the decision within three days of the conduct review body’s decision. All cases, except those adjudicated by the Coordinator of Student Conduct or a hearing officer, will be decided by majority vote as to both findings and sanctions. The victim or victims have the opportunity to learn of the decision through the Coordinator of Student Conduct. Every student shall also be advised in writing of his/her right to appeal the decision.

G. Disciplinary Status
Upon a determination that a student has violated the Code of Student Conduct or Housing Policies, every student will be placed on one of the following Disciplinary Statuses:

Written Reprimand. A written statement by the Office of Student Conduct that a student’s behavior has been inappropriate, and that any further violation of University standards will result in stronger disciplinary action.
**Residence Hall Probation.** Students may be placed on Residence Hall Probation for repeated or serious violations of either the Code of Student Conduct or Housing Policies. Students placed on Residence Hall Probation will receive notice in writing and the probation will be for a defined period of time. While on Residence Hall Probation, further violations of either the Code of Student Conduct or Housing Policies may result in removal from University Housing and/or the University.

**Residence Hall Suspension.** Separation of the student from the residence halls or residence facilities owned by or operated for the institution for a specified length of time, after which the student may be eligible to return. In instances when a student is suspended from a residence facility, he or she may not transfer to another residence facility owned by or operated for the University.

**Residence Hall Expulsion.** Permanent separation of the student from the residence halls or residence facilities owned or operated by the institution. In instances when a student is expelled from a residence facility, he or she may not transfer to another residence facility owned by or operated for the University.

**University Probation.** Students may be placed on University Probation for repeated or serious violations of either the Code of Student Conduct or Housing Policies. Students placed on University Probation will receive notice in writing and the probation will be for a defined period of time. While on University Probation, further violations of either the Code of Student Conduct or Housing Policies may result in removal from the University.

**University Suspension.** Separation from the University for a stated period of time, with conditions of readmission stated in the notice of suspension. Students who are suspended from the University shall be denied access to the institution, including its facilities, grounds, residence halls, activities, or privileges for which the student might otherwise be eligible. After the period of suspension has expired, a student may apply in writing to have the suspension notation on his or her transcript removed.

**University Expulsion.** Permanent separation of the student from the University. Students who are expelled from the University shall be denied access to the institution, including its facilities, grounds, residence halls, activities, or privileges for which the student might otherwise be eligible. The expulsion notation on the transcript may be permanently posted as determined by the president.

**H. Disciplinary Sanctions**
Upon a determination that a student has violated the Code of Student Conduct or Housing Policies, students may receive a disciplinary sanction. Disciplinary sanctions listed below may be imposed, either singularly or in a combination, by the appropriate conduct review body. These sanctions are not all-inclusive.

1. **Restitution.** A monetary penalty assessed against the student to cover the cost of services or replacing physical property of the University or student or staff victims which has been stolen, damaged intentionally, or damaged as a result of gross negligence (In cases where the damage is
in areas such as residence halls and lounges used jointly by groups of students, and the person responsible for the damage or theft is not known, the penalty may be applied against all students using the facility on a pro rata basis). The payment of a fine by a student or group of students shall in no way negate the right of the University to seek restitution for damages through appropriate civil proceedings.

2. **Mandatory Educational/Community service.** A mandatory participation in a specific educational program, work assignment, or the completion of a research-related assignment. The student is responsible for all related expenses. Failure to comply with the educational/community service sanction could result in suspension from the University.

3. **Loss of Privileges.** Denial of specified privileges for a designated period of time. Loss of privileges may include, but is not limited to: the ability to have guests on campus, attend programs or events, or otherwise participate in University functions.

4. **Organization Deactivation** - Loss of privileges, including University recognition for a specific period of time or permanently. Loss of privileges may include, but is not limited to a prohibition on social events, fund-raising projects, intramural events, and completion of community service hours and special projects.

5. **Fines.** Reasonable fines may be imposed. As fines are a sanction, fines may not be substituted with Community Service. Failure to meet fine obligations will result in a financial hold being placed on a student’s account that will prevent registration and other University business from being completed.

6. **Confiscation of Prohibited Property.** Items whose presence is in violation of University policy will be confiscated and will become the property of the University. Prohibited items may be returned to the owner at the discretion of the Coordinator of Student Conduct and/or Campus Police.

7. **Behavioral Requirement.** This includes required activities including, but not limited to, seeking academic counseling or substance abuse screening, writing a letter of apology, etc.

8. **Educational Program.** Requirement to attend, present and/or participate in a program related to the violation. It may also be a requirement to sponsor or assist with a program for others on campus to aid them in learning about a specific topic or issue related to the violation for which the student or organization was found responsible. Audience may be restricted.

9. **Administrative Housing Move.** If a student has repeated or egregious Housing Policy violations, a Conduct Officer may choose to conduct an Administrative Housing Move to another Savannah State University housing facility. Residence will be responsible for any additional charges that result from this conduct sanction. Should a resident wish not to comply with the Administrative Housing Move, that student may choose to move off campus, however they would also be responsible for any administrative charges applicable to early contract termination. Housing staff will decide on the reassignment details.
10. **Eligibility Restriction.** The student is deemed “not in good standing” with Savannah State University for a specified period of time. 1. **Group Violations**
A student group or organization and its officers and membership may be held collectively and individually responsible when violations of this code by the organization or its member(s):

- Take place at organization-sponsored or co-sponsored events, whether sponsorship is formal or tacit;
- Have received the consent or encouragement of the organization or of the organization’s leaders or officers; or
- Were known or should have been known to the membership or its officers.
- Organization fails to take official and/or appropriate disciplinary action against involved member(s).

Hearings for student groups or organizations follow the same general student conduct procedures. In any such action, individual determinations as to responsibility will be made and sanctions may be assigned collectively and individually and will be proportionate to the involvement of each individual and the organization.

The following sanctions may be imposed upon groups or organizations found to have violated the Code of Student Conduct:

- One or more of the sanctions listed above
• Deactivation, de-recognition, loss of all privileges (including status as a Savannah State University registered group/organization), for a specified period of time.

J. **Amnesty.** The University may choose to exercise the following amnesties when it deems them appropriate:

**For Victims**
Savannah State University provides amnesty to victims who may be hesitant to report to University officials because they fear that they themselves may be accused of minor policy violations, such as underage drinking, at the time of the incident. Educational options will be explored, but no conduct proceedings or conduct record will result.

**For Those Who Offer Assistance**
To encourage students to offer help and assistance to others, the University pursues a policy of amnesty for minor violations when students offer help to others in need. At the discretion of the Coordinator of Student Conduct, amnesty may also be extended on a case-by-case basis to the person receiving assistance. Educational options will be explored, but no conduct proceedings or conduct record will result.

**For Those Who Report Serious Violations**
Students who are engaged in minor violations but who choose to bring related serious violations by others to the attention of the University are offered amnesty for their minor violations. Educational options will be explored, but no conduct proceedings or record will result.

Abuse of amnesty requests can result in a decision by the Coordinator of Student Conduct not to extend amnesty to the same person repeatedly.

K. **Safe Harbor**
Savannah State University has a Safe Harbor rule for students. The University believes that students who have a drug and/or addiction problem deserve help. If any University student brings their own use, addiction, or dependency to the attention of University officials outside the threat of drug tests or conduct sanctions and seeks assistance, a conduct complaint will not be pursued. A written action plan may be used to track cooperation with the Safe Harbor program by the student. Failure to follow the action plan will nullify the Safe Harbor protection and campus conduct processes will be initiated.

L. **Parental Notification**
Savannah State University reserves the right to notify the parents/guardians of dependent students regarding any conduct situation, particularly alcohol and other drug violations. The University may also notify parents/guardians of non-dependent students who are under the age of 21 of alcohol and/or other drug violations. Parental notification may also be utilized discretionarily by administrators when permitted by FERPA or consent of the student.

Disciplinary Records

All conduct records are maintained by the University for seven (7) years from the time of their creation except those that result in separation (suspension or expulsion, including from housing) and those that fall under Title IX, which are maintained indefinitely.
