Dear Scholarship Donor,

Thank you for your generous support through this scholarship. I am honored to receive the Tom Joyner Endowed Scholarship and I sincerely appreciate your investment in my education at Savannah State University.

My name is John Doe, and I am from Atlanta, Georgia. I am currently a sophomore majoring in Business Management at Savannah State University. My academic goal is to maintain a strong GPA, gain valuable experience through campus involvement, and prepare for a successful career in business.

Outside the classroom, I enjoy participating in campus activities such as Tiger Ambassadors, the Pre-Alumni Association, the Management Club and volunteering across campus. These experiences have helped me develop leadership skills, build relationships, and become more involved in making a positive difference in the lives of others.

As a first-generation college student, to receive this scholarship will help ease the financial burden of college expenses and allow me to focus more on my academic success and future goals. Your generosity motivates me to continue working hard and make the most of the opportunities available to me.

Thank you again for believing in students like me and supporting our educational journeys. I am grateful for your generosity and hope to one day give back to others as you have given to me.

Sincerely,

John Doe
Sophomore, Business Administration
